File No 15 of 1931

Serial No	
5-1	Letter no S. T. 997 dy 12-1-32 from the pdt, myne dist mech. states that several sums of money aggregating to Rs 51,395/- are due to the mupy from different departments and requests that the explt may be instructed not to apply the provisions of art 243 (b) 1 of the M. C. A. C Vol I to the extent of Rs 51395/- of maintenance charges of Vani Vilas water works due by the mupy and to adjust towards the dues for water supply the sums due from first depts out of their respective Budget allotments, ~~and stating further~~ that if the same expedite is not convenient, stringent orders may be issued to the depts concerned to adjust the dues within a defined period, and that the explorer may be instructed to take coercive action against the ml funds in the Treasury like them.
	We ml president state that sums of money aggregating to Rs 51,395 is are due to the mupy from different depts of fort, and that some of these items are long outstanding and that unless these sums are recovered it has become impossible for the mupy to remit to the explt the dues towards maintenance of water supply

Submd for orders. —
Sri 19/1 HD

2 The proposal of the President to set off the amount due to the Mcty by the several Dpts against the Maintenance charges of the Water works may not be permissible under the Account rules, and the only remedy seems to be to ask the departments concerned to pay up their dues to the Mcty without further delay, the Comptr being asked in the meantime not to take action under para 243 (a) of the M C A C to debit the amount to the Mcty The Fin' Secy may be consulted in the matter.

First Sp cortn Compliments —

GENERAL SECRETARY 25 JAN 1932 No 5769

Fl 2639/26-1-32

4 Neither of the courses proposed by the President can be reasonably adopted. The Mcty must arrange to pay its dues and it must like all may action to collect the amount due to it. It is certainly entitled to ask the fool myself to make the defaulting Govt Depts to discharge their liability promptly and whatever action is may in this behalf may be taken — But I do not think it is right that the Mcty shd hold up the payments of the Water supply maintenance

GENERAL SECRETARY 27 JAN 1932 No 5351

Serial No

pending the realisation of such dues the amounts due from the Municipality.

26-1-32

5 What is the amount due by the Municipality? Please state.

28/1/32

b The amount is Rs 62,945-2-10, please see the letter of the Secy) 28/1

7) I do not understand how we can insist on the municipality passing up its dues to the Govt when the bills are drawn on the Municipality. A sum of Rs. 62,945 is due by the Municipality to Govt against which a sum of Rs. 51,395 is due by the bills to the municipality some portion over due. I shd. say the Municipality shd. have the right to set the latter off against the former. The Municipality has no such option. I say that Structure owes Govt. issue to the defaulting departments to pay up the amounts & that in the meanwhile the Comptroller shd. be asked not to take coercive action against the municipality, if it is reasonable and may be agreed.

OFFICE OF THE PRESIDENT.
City Municipal Council, Mysore
Dated 12th January 1932
13/F

Jnl 73-31-5 42881

From

T.G.RAMA IYER, Esq., B.A.,
PRESIDENT, City Municipal Council,
MYSORE.

GENERAL SECRETARY
15 JAN 1932
No
To

The Secretary to Government,
GENERAL DEPARTMENT,
BANGALORE.

RR 15/1/32

Sir,

I have the honour to state that several sums of money aggregating to Rs51,395/- are due to this Municipality from different Departments of Government as detailed in the appended statement. Some of these items are long outstanding, and unless these sums are received, it has become impossible for the Municipality to remit to the Comptroller the dues towards maintenance of Water Supply. The Comptroller in his letter No W.A.D.I 586 dated 6th January 1932, states that if the entire amount due for the maintenance charges of Vani Vilas Water Works is not paid, the Treasury has to be addressed to take action as required by Para 243 (b) of the Mysore Civil Account Code Volume I, whereby the Treasury Officer will be authorised to debit the amount in the Pass Book of the Municipality In view of the amount of Rs51,395/- outstanding to their credit from Government Departments, the Municipality is entitled to a set off to that extent against the maintenance charges of the Vani Vilas Water Works. In these circumstances, I request you to be so good as to instruct the Comptroller not to apply the Provisions of Article 243 (b) of the Mysore Civil Account Code, Volume I tothe extent of -- Rs51,395/- of Maintenance Charges, and to adjust towards the dues

for Water-Supply the sums due from Government Departments out of their respective Budget allotments. If there should be any inconvenience to the course of action suggested I request that stringent orders may kindly be issued to the Departments concerned to adjust the dues within a defined period and the Comptroller requested to stay coercive action against the Municipal Funds in the Treasury till then. As matters now stand it has been found delicate to coerce payment from the defaulting Government Departments by disconnecting water-supply while the Comptroller adopts coercive action against the Municipality.

I have the honour to be,

S i r,

Your most obedient servant,

Vice - PRESIDENT.

For-President, absent from the Station

MLN.

Statement showing the amount due to the Mysore City Municipality from different Departments of Government

No.	Particulars	Amount	Remarks.

PRESIDENT.

MC 73-37

Office of the President,
City Municipal Council, Mysore.
Dated 2nd February 1932.

From

I.G.Rama Iyer, Esq.,B.A.,

President, City Municipal Council, 23158

Mysore.

To

The Secretary to Government,

General Department,

Bangalore.

Sir,

In continuation of this office No.G.T.997 dated 13th January 1932, stating that a sum of Rs.51,395 is due from different Departments of Government, as against the amount due to Government from the Municipality towards the maintenance of Vani Vilas Water Works, I have the honour to state that another sum of Rs.4,000 is also due to the Municipality from the Education Department on account of contribution towards the construction of Srinivasa Josyar's School, as per Government Order No.E.1174-75/Edn.364-30-2 dated 22nd April 1931. The total amount thus due to the Municipali is Rs.55,395.

I have the honour to be,

Sir,

Your most obedient servant,

President.

PVR.

I

Ml. 73-31-8

Proceedings of the Govt. of H.H.
the Maharaja of Mysore.

Letter No.G.T.997 dated 13-1-1932 from the President, Mysore City Ml. Cl., reporting that sums of money aggregating Rs.51,395/-- are due to the Municipal Council from different Departments of Government and requesting that as it is not possible for the Municipal Council to pay up its dues to the Government towards the annual maintenance of the Water Works, unless the amounts due to it from Govt. Deptts are adjusted, stringent orders may be issued to the Departments concerned to adjust their dues within a defined period and that in the meantime the Comptroller may be instructed to stay action to recover the amount due by the Municipal Council under Article 243 (b) of the M.C.A.C. Vol. I.

2) Letter No.10092 dated 18th January 1932 from the Chief Engineer intimating that a sum of Rs.62,945-2-10 is due from the Mysore City MunicipaliCouncil towards the annual maintenance charges of the Water Works to the end of November 1931 and requesting that orders may be issued for its early adjustment.

Order No. LS 804-20

Dated, Bangalore 17th Febry. 1932

Under the circumstances explained by the President of the Municipal Council, the Comptroller is requested not to take coercive

P.to.

action against the Municipal Council ~~immediately until the dues by the several departments are adjusted~~.

4. The several Departments of Govt referred to by the President will be requested to adjust their dues to the Municipality without further delay and report the fact of such adjustment. Pending such adjustment, the Govt do not request not to take coercive action against the Municipality

3. The Municipal Council should in the meantime arrange to pay up to the P.W. Dept. the amount due from it, in excess of the sum recoverable from the Government Departments. If any amt remains unpd. after the Council closes the accts for the year, the Comptroller is authorised to adjust it.

dbc
Dy. Secretary to Government.

To

The Comptroller to Government.

The President, Mysore City Municipal Council.

The Comptroller is authorised to adjust the amt remaining unpaid after the close of the year in respect of these accts.

Sir,

With reference to your letter No.L 5837/M1 73-31-10 dated 15/17th February 1932, I have the honour to forward herewith statements showing water charges due on several Government Departments in the City and to request you to kindly instruct the Comptroller to adjust the sums due from the respective Government Departments out of their respective Budget Allotments as repeated reminders to the Departments concerned have failed to serve the purpose. If this is considered inconvenient, permission may kindly be given to the Municipality to disconnect water service to the Departments concerned three months after date of notice as permitted in the case of the Electrical Department in Government Order No.C.D.S.721-724 dated 19/22nd April 1927 As regards taxes on buildings and vehicle tax a statement showing the particulars of the several buildings in respect of which arrears are due and the officers responsible for its payment is under preparation and will be sent to you in due course.

I have the honour to be,
Sir,
Your most obedient servant,

President.

Dear Sir

Please refer to this Office letter no L 5821-36 of the 17th Feby last regarding the adjustment of the arrears of Water charges due by your Department to the Mysore City Municipality. The President of the Municipal Council has been urging that as the dues of Govt Departments have not been paid, the MC are not in a position to pay up the maintenance charges payable by them to the PW Dept, and I am desired to request that immediate action may be taken to adjust the arrears, particularly the items noted in the margin which involve a large amount, and inform the fact reported to Govt

Yours sincerely

Dy dear Sir,

With reference to correspondence ending with your letter No.L 7145-8/R1.73-31-26 dated 18/19th April 1932, I write to state that as indicated in my letter No.D6-272/31-32 dated 8th March 1932 copy of which has been forwarded to you the amount referred to namely Rs 1,162 due to the Mysore City Municipality is not due from the Department but from the Dasara Exhibition ~ The President of the Municipality has already been asked in this office letter No.D6-272/31-32 dated 8th March 1932 to address the Secretary, Dasara Exhibition Committee I have also addressed the Secretary, Dasara Exhibition Committee, to have the amount adjusted very early.

Yours sincerely,

R Ananthakrishnaiyar

H.V Rama Swamy Esq.,B.A.,B L.,

L & G BRANCH

To

The Secretary to Government,

General Department,

BANGALORE.

Sir,

Referring to your letter No.L.7344/Mi.73-31-28 dated stating that unless the entire amount due for the maintenance of the Vani Vilas Water Works is paid by the Municipal Council by the end of the current official year, the Comptroller would be asked to appropriate municipal balances in the Treasury, I request the favour of kind reference to my letters No.G.T.997 dated 13th January 1932 and No.G.T.1069 dated 2nd February 1932. It is impossible for the Municipal Council to pay their dues to the Water Supply Department unless the several Government Departments pay their heavy arrears to the Municipality The state of account between Government and this Municipal Council excluding loan instalments is as shewn hereunder -

1.	Education contribution up to end of June 1932.	Rs.15,000
2	Moiety of plague charges due from the Sanitary Department to end of June 1932	" 1,200
3	Road Cess paid by Pus owners, sanctioned as per Government Order No.7479-81 Legis 55-30-6 dated 15/16th May 1931	" 8,412
4.	Portion of excess water charges credited to Government during the half year ending December 1927, and due from the Executive Engineer, Water Supply Division . .	" 4,562
5.	Water charges due on Government and Railway Buildings, Flat rate due to end of June 1932 and charges for non-domestic consumption to end of April 1932. . . .	27,105

6.	Road contribution for the 2nd half year	Rs.2,500
7.	Mohatarfa taxes due on Government and Railway buildings up to end of June 1932	" 12,234
8.	Contribution for construction of Josyar's School as per Government Order No.E.1174-72/Edn.364-30-2 dated 22-4-1931.	" 4,000
9.	Ground rent due from the Railway Department on account of portion of Appavoo Setty Karkhana site leased out by them (approximately) but not paid for.	" 2,000
10.	Compensation due from the Railway Department on account of Appavoo Setty Karkhana site under acquisition(but already taken over by the Department in 1926).	" 2,000
	Total	" 79,013

It will thus be seen that the arrears due to Government towards maintenance charges of water supply are more or less equal to the amount due to the Municipality from Government Departments.

In this connection I have to submit that arrangements can easily be made to clear all the arrears of maintenance charges due to the Government if Government have no objection (1) to the disconnection of water supply to the Government Departments and Government buildings who have failed to pay their dues in spite of stringent orders of Government in G.O.No.L.5804-20/M1 73-3-8 dated the 15/17th February 1932 and (2) to the Municipal Council filing a suit against the Railway Department who have failed to pay their dues in spite of protracted correspondence It ~~would~~ would cause untold hardship to the Municipality and may soon dislocate work if Government Departments should indefinitely delay their payments to the Municipality and on the other hand the Municipal Funds are appropriated to meet their dues to Government As an instance of the unrelenting attitude of Government Departments, I may as well refer to an item of Rs.4,562-2-0 due from the Water Supply Department. The Department has refused to refund or permit us to set off this admitted claim of the Municipality against the Water Supply Department during this year though the

the claim is an old one.

In these circumstances I can only appeal to Government to either permit the Municipality to disconnect water to the Government Departments and buildings in default, similarly to the powers given to the Electrical Department, or to set off the Municipal claims in adjustment of the Municipal dues to Government

I have the honour to be,

Sir,

Your most obedient servant,

PRESIDENT

GVN

OFFICE OF THE PRESIDENT.
CITY MUNICIPAL COUNCIL, MYSORE

DATED 4th June 1932

4897

From

T.G. RAMA IYER ESQ. B.A.,

President, City Municipal Council,

MYSORE.

To

The Secretary to Government,

General Department,

BANGALORE.

Sir,

In continuation of this office letter No.WR 1707 dated 3rd May 1932 I have the honour to state that a further sum of Rupees 32,958-14-0 is due to the Municipality from the Water Supply Department. The circumstances under which the amount is due are detailed below for your information.

As per Government Order No.4285-8/M1.84-26-6 dated 4/7th January 1927 passing orders in the matter of operation and maintenance cost of the Mysore City Water Supply, two-thirds of the cost of maintenance of the Vani Vilas Water Works is to be borne by the Mysore City Municipal Council since 1-4-1927 in consideration of their receiving the entire income from the Water Supply from that date. In the first bill for Rs.49,091-10-0 for the municipal share of maintenance charges from 1-4-1927 to end of December 1927 received from the Comptroller with his letter No.1518-WAD3 dated 13th February 1928 (copy enclosed), only a sum of Rs.13,686-8-0 has been set off on account of receipts from water supply for the above period of 9 months. But from the figures received from the Superintendent, Vani Vilas Water Works, Mysore, in his letter No. 1387 dated 29th May 1932, it is seen that a sum of Rs.46,645-6-0

was realized from April 1927 to end of December 1927. Till then i.e. till 1st January 1928 the collections were being received at the office of the Vani Vilas Water Works. The accounts and the staff were transferred to the Municipal Council only on 1st January 1928. Thus the difference of Rs.32,958-14-0 which represents the difference between Rs.46,645-6-0 - actually collected by the Water Works Department from 1st April 1927 to 31st December 1927 and Rs.13,686-8-0 the actual amount credited in the bill for the period, is still due to the Municipality on this account The total amount including the sum of Rs.79,013-0-0 referred to in my letter No.WR 1707 dated 3rd May 1932 that is due to the Municipality from Government Departments is therefore far in excess of the maintenance charges due to the Water Supply Department from the Municipality I therefore request that the Comptroller may be requested not to take coercive action against the Municipality for non-payment of municipal dues for water supply, but to give the Municipality immediately a credit for the above amount of Rs.32,958-14-0 in the very next monthly bill.

I have the honour to be,

Sir,

Your most obedient servant,

P'R E S I D E N T

Comptroller to the Government of
His Highness the Maharaja of Mysore,
Bangalore

To

The Secretary to Government,
General Department,
Bangalore.

GENERAL SECRETARY
17 JUNE 19
No

Sir,

In forwarding herewith copies of this office letter No.1038/W.A.D.I. dated 14-5-1932 to the President, Mysore City Municipality regarding the balance of Rs.95,777-3-8 due from ~~him~~ them towards Water Supply charges to end of March 1932 and ~~his~~ their reply No.G.T.1703 dated 20-5-1932 thereto, I have the honor to invite your kind reference to his letter No.W.R.1882/31-32 dated 4/6-6-1932 addressed to Government and to state that no payment has been made by him towards the above dues till now. His letter under reference indicates also that he is not likely to pay in ~~xxxx~~ the near future.

2 His claim for the refund of Rs.32,958-14-0 on the bill for Water Supply Charge to the end of December 1927 has just now been preferred for the first time after a lapse of nearly five and half years. This is an old item which has to be scrutinised in detail before any payment could be made and will be taken up separately.

3 I request you to kindly intimate very early if the action proposed in latter part of G.O.No.L.5804-20/Ml.73-31-8 dated 17-2-1932, and stressed in your letter No.L.7344/Ml.73-31-28 dated 28-4-1932, to the President, Mysore City Municipality, may now be taken as the official year is drawing to a close.

I have the honor to be,
Sir,
Your most obedient servant

S Shamanna
Comptroller.

Copy of letter No.1038/WAD I dated 14th May 1932, from the Comptroller in Mysore, Bangalore, to the President, Mysore City Municipality, Mysore.

I have the honor to state that a sum of R$95,777-3-8 as detailed in the margin is due from the Mysore City Municipality towards the maintenance of Vani Vilas Water Works to end of March 1932. I request you to kindly issue immediately a crossed cheque for the entire amount in favour of the Executive Engineer, Water Supply Division and intimate the fact to this office.

2. In this connection, I would invite your kind reference to G.O.No.L.5804-20/Ml.73-31-8 dated 17th February 1932 and General Secretary's letter No.L.7344/Ml.73-31-28 dated 28th April 1932 in the matter. As the official year is drawing to a close, I request you to kindly adjust the amount immediately as otherwise this office will be obliged to follow the procedure indicated in para 243 (b) of M.C.A.C. Volume I.

1.	Excess outlay over the deposited amount for laying 4" C.I.link line between the new 6" C.I.Main to Railway Workshop.	R$86-13- 0
2.	Balance of amount due towards annual maintenance of Vani Vilas Water Works during 30-31	22372-10- 8
3.	5 per cent of the cost of the Executive Engineer's staff, towards the contribution work executed during the year 1930-31	1142-10- 0
4.	Giving water connection to the Kitchen Block of the Old Indian Guests Quarters	4-13- 6
5.	Water Supply to Poor House Block in Narasimharaj Mohalla	9-14- 6
6.	Annual Maintenance of Vani Vilas Water Works from July 1931 to end of March 1932.	72160- 6- 0
	Total	R$95777- 3- 8

V. Shamapathy Chetty

16.6.32

Letter No.G.T.1703/ dated 20-5-1932 from the President, City Municipal Council, Mysore, to the Comptroller in Mysore, Bangalore.

Referring to your letter No.1038/WAD I dated 16th May 1932, I have the honor to enclose herein a copy of my letter No.WP 1707 31-32 dated 3rd May 1932 to the Secretary to Government, General Department.

As against Rs 92,000/- claimed against the Municipality, the Municipal Council has claims aggregating to nearly Rs 80,000/- against Government Departments. There can be no doubt that the Municipal Council has a civil right to set off amounts due to them from Government Departments as against amounts due to Govt from the Council. The Departments of Government have not been showing the slightest promptness in settling amounts due to Council. On account of their default, it has become impossible to pay the dues for water supply until the Government departments clear their arrears to the Municipality. I respectfully submit that coercive action under para 243(b) of Mysore Civil Account Code Volume I would not be a proper course to be adopted against the Municipal Council for the default of Government Departments.

G.O.No.L.5804-20/M1 73-31-8 dated 17th February 1932 directing that the coercive action proposed to be taken by the Comptroller against the Mysore City Municipal Council under Art 243 (b) of M.C.A.C Vol I) for the recovery of the amount due by it towards the annual maintenance of the Vani Vilas Water Works, may be taken towards the close of the official year in respect of the amount remaining unpaid by the Municipality and that the several -- departments of Government should adjust their dues to the Municipality without further delay.

2. Letter No.W.P 1882/31-32 dated 4th June 1932 from the President, Mysore City Municipal Council, stating that in addition to the sum of Rs.79013 due to the Municipality from Government departments, a further sum of Rs.32958-14-0 is due from the Water supply Department, and requesting that the Comptroller may be requested not to take coercive action against the Municipality for non-payment of Municipal dues towards water supply maintenance charges, but to give the Municipality immediately a credit for the said sum of Rs 32958-14-0 in the next -- monthly bill.

Out of the income realised, in between 1.4.1927 and 31.12.27

3.

3. Letter No.

June 1932 from the Comptroller stating the claim of the Municipal President -- refund of Ps.32958-14-0 is an old item which has to be scrutinised in detail before any payment could be made and requesting to be informed whether the action proposed in the G.O. dated 17th February 1932 may now be taken, as the official year is drawing to a close.

ORDER No 28453-67/M173-31-43

Dated 22nd June 1932.

Government observe, from the reports received, that departments, which are in arrears to the Municipality, have not, in a large number of cases, adjusted their dues and the Municipality in turn is making this a ground for non-payment of its dues to Government.

The claims preferred by the Municipality against Government departments should be settled without delay and the Municipal Council should, on its part, pay the Government dues similarly. A set-off of the one against the other is not practicable, as the claims of the Municipality have to be established to the satisfaction of the departments concerned, before payment can be made. In all cases in which Government departments have disputed the claims made against them by the Municipality, necessary details should be furnished to them early by the Municipality and that Heads of departments concerned should also see that the claims are settled ~~as early as possible~~ and payment made with the least delay possible, a report of the fact being sent upto date for information

2. In the circumstances, Government are pleased to extend the term for settlement of the Government dues by the Municipal Council by --

by another six months and to direct that the coercive action contemplated in the G.O. of 17th February 1932, read above, be postponed till the end of December 1932. The Municipal Council is requested to see that the dues are completely discharged before then.

3. The Comptroller is requested to examine the validity of the claim of the Municipality for the sum of Rs.32,958-14-0 referred to above and submit a report to Government early.

ERAL SECRETARY
1 - DEC 19
No. 1 S 8
Sir,

With reference to paras 2 and 3 of Government Order No. L. 8453-67 M.L. 73-31-43 dated 22-6-1932, regarding the recovery of the balance due from the Mysore City Municipality towards the maintenance of Vani Vilas Water Works from June 1931 onwards, I have the honour to forward herewith copies of letters No. 1235/W.A.D.I. dated 30-6-32 to the Executive Engineer, Water Supply Division and letter No. 72 dated 2-11-3[illegible] from the Executive Sanitary Engineer, Bureau of Sanitary Engineering, regarding the verification of the counter claims made by the President Mysore City Municipality on the basis of certain figures furnished to him direct by the Superintendent, Vani Vilas Water Works, Mysore.

The validity of the Municipality's claim on Government can be verified only after the receipt of the detailed information called for in this office Letter No. 1235/W.A.D.I. dated 30-6-32, as the transactions relate to the period prior to December 1927

As the balance due from the Mysore City Municipality to end of June 1932 is Rs. 126,741-12-2 and is accumulating from more than one year, I request that the Municipality may kindly be directed to pay the entire amount due from them pending verification of the claim made by them. In the meanwhile, the Municipality could at least pay the balance of the amount reserving their disputed claim of Rs. 32,958-14-0.

I have the honour to be,
Sir,
Your most obedient Servant.

Director of Health.

Letter No.176 dated 3-2-1933, from the Executive Sanitary Engineer, Bureau of Sanitary Engineering, Bangalore to the Comptroller of Mysore, Bangalore

---

Re - The claim of Rs.32,958-14-0 by the President of the Mysore City Municipality

---

With reference to your No 594/WAD I. dated 7-1-1933, I have the honour to state that certain particulars are called for from the Superintendent, Vani Vilas Water Works, Executive Engineer, Water Supply Division, and the President, Mysore City Municipality, in respect of the particulars connected with the above claim. These officers are written to in the matter and a detailed reply will be sent to you as soon as replies are received from those officers.

The President of the Mysore City Municipality, has stated in his letter No.G.T.7 dated 1-7-1932 addressed to this office that in the bill for Rs.49,091-10-0 for the Municipal share of maintenance charges from 1-4-1927 to end of December 1927 sent to that officer with your No 1518 WAD 3 dated 13-2-1928 a sum of Rs.13,686-8-0 has been set off on account of receipts from water supply for the above period of 9 months. But this amount does not agree with the amount of collections for the period referred to above as compared with the figures adjusted in the accounts of the Water Supply Division I request that details showing how the above amount of Rs.13,686-8-0 was arrived at may kindly be arranged to be furnished at an early date so as to enable me to go into the question and send up a detailed reply on the subject

This disposes of your D.O.No 677/WAD I. dated 27-1-193 on the subject.

With reference to your letter No.L. 5177-89/Ml. 73-31-55 dated 4th/6th February 1933 inviting reference to your letter No L. 8453-67/ Ml 78-31-43 dated 22nd June 1932 regarding the adjustment of dues to the Mysore City Municipality, I have the honor to report that as already stated in my letter No Dl- 3401-249/31-32 dated 11th March 1932, the President, City Municipal Council, Mysore was requested to furnish details of the amount due. From the information received it is seen that a sum of Rs. 109/- is due to the Municipality by two institutions as detailed in the margin in addition to the Government contribution towards the construction of the Srinivasa Iyengar's school.

1.(a) Water charges due from the Maharani's Women's High School Hostel, Mysore (upto the end of March 1932).	Rs	61	4	0
(b) water charges due from the Maharani's Women's High School Hostel, Mysore from April to June 1932 (on non-domestic basis)	Rs	15	0	0
2. Water charges due from the Vocational Institute, Mysore.	Rs	32	12	0
Total	Rs.	109	0	0

It is reported that such water charges were not being claimed from these institutions hitherto The Superintendent of the Maharani's Women's High School Hostel reports that the Hostel did not work from April to June 1932 and that the charges due for the supply of water during this

period has to be borne by the Public Works Department since water was used by that Department for the construction of a sick room. She has however been requested to pay up the dues for the supply of water up to the end of March 1932 and correspond with the Public Works Department in respect of the charges for the supply of water from April to June 1932.

The Superintendent, Vocational Institute, Mysore states that since the institution is a charitable institution she has requested the President of the Municipal Council to extend the exemption hither to granted to the institution in respect of the payment of the water charges. She has been requested to report the result of action taken by the Municipality in the matter and on receipt of her reply a further report will be made to Government.

As regards the Government contribution in respect of the Srinivasa Josyer's Primary Boys' School, Mysore, a sum of Rs 1,707-9-0 was paid in June last on a bill of cost received from the President He has been requested to furnish a further bill of cost for work done so far and on receipt of the bill, action will be taken for the payment of the balance of the sanctioned grant.

Bills of Mysore City Municipality for Taxes, etc., due on Railway Buildings.

Further to this Office letter No.7041 dated the 17th February, 1933, I have the honour to state that except the following three items, which are under correspondence for reasons given below, there are no other claims of the Mysore Municipality, pending payment in this Department as far as the Engineering Department is aware.--

1. Bill for Rs.5,051/-for arrears from 1926-27 to 1931-32 of tax and flat rates for Railway Central Offices and Audit Offices.--

The question of admitting this claim has been referred to Government for orders. I enclose a copy of this Office letter No.192/Fl.10 dated the 27th October '32 to the address of the Secretary to Government, Railway Department, in the matter.

2. Special Sanitary Cess.--

A sum of about Rs.540/- at 2% on rental value is claimed as per G. O. No. 8928-9 dated 30th April, 1931. The claim was not accepted by the Railway Department because we are maintaining our own Conservancy Staff,

The Municipality has, therefore, been advised that if they are prepared to make arrangements for Conservancy work in the Railway Colony, the claim will be admitted. The Municipality is still considering the matter, vide copy of letter No.HST. 219 dated the 13th February, 1933 enclosed from the President, Mysore City Municipal Council

3. Flat rate for water.--

In Government Order No. R.S.946-49/Ry.F.32/O.L. 30-31 dated the 19th November, 1930, it was decided that flat rate for water supplied should be recovered from tenants. Amounts actually recovered from tenants has been paid to the Municipality, and as regards certain differences which exist in the claims put forward by the Municipality, the Executive Engineer is still under correspondence with Mysore Municipality.

I have the honour to be,
Sir,
Your most obedient servant.

Letter No.192/Fl.10 dated 27/10/1932 from the Agent, Mysore Railways, Mysore, to the Secretary to the Government of Mysore for Railways, Mysore.

Bills for Municipal Taxes for Railway Central Offices and Audit Office.

With reference to Notification No.R.S.1874-83 dated 2nd March, 1929, declaring the Mysore Railways as liable to pay taxes in respect of buildings, belonging to or under its management I have the honour to state that a bill for Rs.5051/ for arrears of taxes has been received from the Mysore Municipality on account of taxes levied on the Railway Central Offices and Audit Office buildings for period from 1926-27 to end of 1931-32 (vide copy of Superintendent, Way and Works letter No.993 dated the 9th August, 1932, enclosed).

The Railway Buildings are taxed by Municipality in terms of the Government Order No.R.1696-709 dated 3rd August 1920, according to which the Sandalwood Oil and other Govt., Factories, the Electric Power and Transformer Houses are not exempt from the taxes as they are worked on a quasi commercial basis and are consequently treated as Buildings used for earning Revenue. Though the Railway Workshops and Railway Station may be brought under this catagory, the Buildings where public offices are held might be treated differently.

I request orders of Government whether taxes should be paid for Railway Offices buildings.

Early Orders of Government are solicited to dispose of the pending bill referred to.

Bangalore.

Sir,

With reference to your letter No.C.611/119-8 dated 16th February 1933, stating that the question of the adjustment of the dues to the Mysore City Municipality amounting to Rs.32,958-14-0, is still under correspondence with the officers of the Bureau of Sanitary Engineering, I am directed to enquire how the matter stands at present. The Municipality has been urging for an early settlement of the claims and I am to request you to kindly see that the matter is brought to disposal very early.

I have the honour to be,

Sir,

Your most obedient servant,

Sd/- P. Ranga Rao,
General Secretary to Government.

G O No L 4285-8—Mi 84 26-6, dated 4—7th January 1927

Mysore City Water Supply

Passes orders in the matter of the operation and maintenance cost of——

READ—

Government Order No C 17-23—Mi 84 26, dated the 16th October 1926, appointing a Committee for the consideration of certain questions connected with the Water Supply, Mysore City and submission of a report to Government in the matter

2 Letter dated the 4th December 1926, from the Secretary of the said Committee, forwarding a copy of the Report of the Committee

ORDER NO L 4285-8—Mi 84-26 6, DATED 4—7TH JANUARY 1927

In their Order No P 359-65, dated 14th March 1924, Government sanctioned an estimate amounting to Rs 4,34,260 for improving the Water Supply to Mysore City and stated that separate orders would issue on the question of debiting the cost of the estimate or any portion of it to the Mysore City Municipal Council and also regarding the share of the maintenance charges to be borne by them

2 As the Municipal Council pleaded their inability to meet the capital cost of improvements to the said Water Works, Government directed in their Order No B 2779-82, dated 30th January 1926, that the outlay on the estimate of Rs 4,34,260 for the capital cost of improvement works be borne entirely from State Funds, that future capital cost of the Water Supply System be borne by the Municipal Council, that a subvention of Rs 10,000 per annum for a period of 3 years be paid towards the electric power charges incurred by the Water Works Department and that the balance required to meet the maintenance charges be found by the Municipal Council by raising the rate of excess water consumed from 8 annas to 12 annas per 1,000 gallons and by levying a flat rate of Rs 9 per year for house connections

3 Representations were received from the rate-payers in Mysore and from the Mysore City Municipal Council that the levy of the flat rate of Rs 9 per year sanctioned by Government for every house connection was too high and would operate as a hardship upon many a poor rate-payer and specially upon owners of houses with metered connections The Municipal Council recommended the formation of a Committee with the Chief Engineer as Chairman to go into the whole question and submit recommendations to Government

4 Having considered their recommendations, Government in their Order of the 16th October 1926 read above, appointed a Committee consisting of the marginally noted members for the consideration of the following points —

(1) Rajakaryaprasakta Diwan Bahadur Mr M N Krishna Rao, Second Member of Council (Chairman)
(2) Mr J Bhore Chief Engineer in Mysore
(3) Mr N Madhava Rao President Mysore City Municipal Council
(4) Rajasabhasaviaradha Rao Bahadur Mr B Subba Rao Retired Chief Engineer Krishnarajasagara Works
(5) Lokahitaishi Mr H Nanjundaraj Urs Retired Amrut Mahal Superintendent
(6) Mr C Narasimhaiya Advocate Mysore
(7) Mr Mohamed Saif Mysore
The Secretary to Government Development Departments to be the Secretary to the Committee

(1) Determination of the proportionate cost of water supply to Government and Palace buildings for which credit may be allowed to the Municipality

(2) The most equitable method of improving the resources of the Municipality to meet the maintenance charges of the Water Works

(3) All other questions arising from or incidental to the above

5 The Committee so appointed held 4 meetings in all and have submitted the following recommendations on the questions referred to them —

Item No (1) of the terms of reference —" Determination of the Proportionate cost of Water Supply to Government and Palace Buildings for which credit may be allowed to the Municipality "

(1) The Committee are of opinion that the contribution payable by Government towards the outlay on the maintenance and operation charges of the water works be fixed in proportion to the quantity of Water Supply to Government and Palace Buildings

(2) From the data relating to the consumption of water in the past supplied to the above buildings, we consider that the shares of the outlay to be borne by the Municipality and the Government be in the proportion of 3 to 1 This proportion will be subject to reconsideration when the data are materially altered

(3) We understand that in the case of some large consumers, power is supplied for use at night at half the rates charged for day supplies Whether this concession has been allowed to other consumers or not, we recommend that it be extended to this Water Supply Scheme We believe that this concession will result in reducing the annual cost of power taken by the Scheme by about Rs 18,000 to Rs 20,000

(4) As a result of the new arrangements, we anticipate that a further reduction of not less than Rs 2,000 per annum is possible under charges of establishment

(5) The gross annual outlay on the Water Works which according to the Budget estimates for the current year is placed at Rs 1,32,000 will be reduced to Rs 1,10,000 as a result of the recommendations contained in clauses (3) and (4) above

6 *Item No (2) of the terms of reference —The most equitable method of improving the resources of the Municipality to meet the Maintenance charges of the Water Works "*

(6) The Committee consider that, as metres are provided at present for only a small proportion of house service connections and as it is not possible to metre all of them except at heavy cost, the system of charging excess water rates with reference to metre readings may be discontinued for the present, in the case of all residential buildings

(7) Water Supply to all non-domestic consumers may be metred and charged for at one rupee per 1,000 gallons

(8) No separate water rate and excess water charges need be levied on Government and Palace buildings, as the total contribution to be made by Government is based on the principles mentioned in recommendations Nos (1) and (2)

The Committee estimate that, as a result of their recommendations under (6), (7) and (8), the total receipts under (i) water rate and (ii) excess water charges from non-domestic consumers will amount to Rs 25,000 and Rs 28,000 respectively

(9) The Committee recommend that, in lieu of excess water charges and metre hire on domestic consumption, fees for house service connections be levied as per graduated scale noted below —

Classes of Houses based on rental value	*Rate per annum*
1 Up to Rs 100	Rs 5
2 Rs 101 to Rs 200	„ 12
3 „ 201 to „ 300	„ 15
4 „ 301 to „ 500	„ 25
5 „ 501 to „ 700	„ 35
6 „ 701 to „ 1,000	„ 45
7 Over Rs 1,000	„ 60

Note —The abovementioned fees may also be levied on Palace and Government Buildings in the occupation of tenants, in lieu of excess water charges and metre hire

The position in respect of the annual receipts and expenditure of the Water Supply Scheme would, according to the recommendations of the Committee, stand as below —

Receipts		Expenditure	
	Rs		Rs
Water rate	25,000	Cost of operation and maintenance	1,10,000
Excess water charges and metre hire from non-domestic consumers	28,000	Contribution to depreciation reserve	6,000
Government share of expenditure	28,000		
Fees for house service connections	35,000		
Total	1,16,000	Total	1,16,000

Item No 3 of the terms of reference —"*All other questions arising from or incidental to the above* "

(10) The Committee recommend that the proposals embodied in this Report be brought into effect from 1st January 1927

(11) The flat rate of Rs 9 sanctioned in Government Order dated 31st January 1926, be waived

(12) The debit of Rs 33,381 charged to the Municipality on account of the net cost of maintenance and operation for 1925-26, be reversed

(13) A separate suspense account be opened showing the expenditure on account of the maintenance and operation charges for the first half of the current year, and all receipts on account of water rate, excess water charges and metre hire, as levied at present and recovered against the demand to end of December 1926, be credited to this account

The question of how the difference between the receipts and expenditure in this account should be dealt with may be decided at the end of the year 1926-27

(14) The Public Works Department should furnish Budget estimates of the annual maintenance and operation charges to the Municipality, and submit to that body monthly accounts of the expenditure incurred

(15) The President of the Municipality should be empowered to inspect the Water Works and communicate to the Public Works Department his observations

(16) The responsibility for the collection of fees for house service connections and of excess water charges and metre hire from non-domestic consumers should be taken over by the Municipal Council

(17) Metres should be in charge of the Public Works Department and a quantity account of the readings showing consumption may be sent monthly by that Department to the President of the Municipality

(18) The Chief Engineer and the President, Mysore City Municipality will jointly submit proposals for the reduction and redistribution of staff consequent on the new arrangements

Government have considered the several recommendations of the Committee and are pleased to direct as follows —

(1) The share of cost of operation and maintenance to be borne by the Municipality and Government be fixed in the proportion of 2 to 1 instead of 3 to 1 as recommended by the Committee

(2) The third proposal to charge a lower rate for power taken for pumping at nights cannot be approved

(3) The levy of fees for house service connections according to a graduated scale recommended by the Committee in para (9) in lieu of excess water charges and metre hire will be sanctioned and adopted as a temporary measure in view of the difficulty of obtaining and installing metres to all houses and the heavy cost involved therein, and this system will be replaced gradually as metres become available and the Municipal Council are in a position to erect them in all houses In fixing metres

houses with a rental value exceeding Rs 500 will first be taken up, after which excess water charges and metre hire will be levied on them instead of fixed fees on house service connections as proposed by the Committee Arrangements should also be made gradually to provide metres even for houses below a rental value of Rs 500 so that the quantity of water used by them may also be gauged

(4) The recommendations of the Committee are sanctioned with the above modifications The order will take effect from 1st April 1927

8 The position in regard to the annual receipts and expenditure of the Water Supply scheme as sanctioned in this order will be as follows —

Receipts		Expenditure	
	Rs		Rs
Water rate	25 000	Cost of operation and maintenance	1,30,000
Excess water charges and metre hire from non domestic consumers	28,000		
Government share of expenditure	42,000		
Fees for house service connections	35,000		
Total	1,30,000	Total	1,30,000

9 The adjustment of the accounts between the Municipal Council and Government will be effected once for all at the end of the current official year on the lines proposed in item (13) of the Committee's recommendations

REVENUE SECTION 29 MAY 1933 L. S. G. BRANCH.

Sir,

In continuation of this office No.GC.216-10, dated the 3rd May 1933, I have the honour to state that the amounts due to Municipality on account of water charges for 1931-32 by the Medical Officer, E D.Hospital, Mysore and Vani Vilas Hospital, Mysore have also been reported to have been adjusted.

As regards the amount due by Princess Krishnajammanni Tuberculosis Sanatorium, Mysore, a sum of Rs.73-4-0 is reported to have been adjusted in the D.C.Bill for May 1932. The only unpaid item relates to official quarters as per list enclosed. In view of the fact that the residents of these official quarters are now being allowed free use of water upto a prescribed minimum and that the entire water used by the officers during the period they worked in the Sanatorium was being charged, they may be excused to their liability and the bills may be authorised to be charged to "Contingencies" of the Institution.

I have the honour to be,

Sir,

Your most obedient servant,

Bangalore.

Early Attn 915

SIR,

In forwarding herewith a copy of letter No.R.O.C.1848/27-28-Fa dated 19th May 1933 received from the Director of Agriculture in Mysore, in the matter of the heavy arrears of water charges due to this Municipality in respect of the Jeevanarayanakatte Farm at Mysore, I have the honour to state that the arrears have been accumulating for the past over 4 years and inspite of protracted correspondence and stringent orders of Government (Vide Government Order No.L.5804-20/Ml 73-31-8 dated 17th February 1932) the amount has not been paid so far.

It would cause considerable inconvenience to the Municipality and would embarrass them financially if Government Departments should delay their payments to the Municipality, as in the present instance.

Hence, I request that Government. may be pleased to issue early orders to the department for the adjustment of the dues, as the official year is fast approaching its close.

I have the honour to be,
Sir,
Your most obedient servant,

President.

PVR.

Letter No.Roc.1848 of 27-28 dated 19th May 1933 from the Director of Agriculture in Mysore, Bangalore, to the President, City Municipal Council, Mysore.

With reference to your D.O.No.1157 dated the 15th May 1933 regarding arrears of water charges due to your Municipality in respect of the Jeevanarayanakatte Farm at Mysore, I have the honour to state that proposals have since been submitted to Government for reappropriation of a sum of Rs.3047/- from other sources being the arrears of water charges up to end of February 1932 and as soon as Government sanction is received, action will be taken to adjust the old bills without delay.

As regards charges accruing for the subsequent period, it is reported that a sum of Rs.853/- becomes due from March 1932 to end of February 1933 and the Assistant Director of Agriculture, Mysore has been requested to adjust this amount as well as the charges for the subsequent months during the current official year from the additional grant of a sum of Rs.2000/- recently sanctioned for the Jeevanarayanakatte Farm. The delay is very much regretted.
